

PEDIATRIC PATIENT EDUCATION CORE LIBRARY (pages 1 to 4)

A comprehensive library of trusted health information for parents/patients covering birth through young adulthood from the American Academy of Pediatrics (AAP).

HANDOUTS BY COLLECTION (pages 4 to 9)

Handouts by Collection features patient education from established AAP programs and publications.

- ADHD Toolkit Handouts
- Autism Spectrum Disorder Toolkit Handouts
- Bright Futures Well Child Visit Handouts
- Care of the Young Athlete
- Connected Kids: Safe, Strong, Secure
- COVID-19

- Extended Library
- Managing Chronic Health Needs in Child Care and Schools
- Managing Infectious Diseases in Child Care and Schools
- Pediatric Subspecialists
- Plain Language Pediatrics
- TIPP—The Injury Prevention Program
- Vaccine Information Statements (VIS)

HANDOUTS BY LANGUAGE (page 9)

Select handouts in 12 languages.

HANDOUTS BY COLLECTION: SCHMITT PEDIATRIC CARE ADVICE (pages 10 to 18)

Handouts from telehealth pioneer Barton D. Schmitt, MD, FAAP.

PEDIATRIC PATIENT EDUCATION CORE LIBRARY

A comprehensive library of trusted health information for parents/patients covering birth through young adulthood from the American Academy of Pediatrics (AAP).

1. Acne: How to Treat and Control It*
2. Acute Ear Infections and Your Child*
3. ADHD—What is Attention-Deficit Hyperactivity Disorder?*
4. ADHD—What Are the Symptoms of Attention-Hyperactivity Disorder?*
5. ADHD—How Is Attention-Deficit Hyperactivity Disorder Diagnosed?*
6. ADHD—What Causes Attention-Deficit Hyperactivity Disorder and How Is It Treated?*
7. ADHD—What is Behavioral Therapy?*
8. ADHD—What Types of Medication Reduce Attention-Deficit Hyperactivity Disorder Symptoms?*
9. ADHD—What Are Common Questions about Attention-Deficit Hyperactivity Disorder Symptoms?*
10. Adoption: How to Talk With Your Child About Being Adopted
11. Air Bag Safety*
12. Alcohol and Your Child*
13. Allergies in Children*
14. Anaphylaxis*
15. Anemia in Children and Teens*
16. Anesthesia and Your Child: Information for Parents*
17. Anesthesia and Your Child: The Day of the Procedure*

18. Antibiotics Aren't Always Needed*
19. ASD—About Medications and Integrative, Complementary, and Alternative Medicine Treatments*
20. ASD—Communication, Social Skills, and Sensory Motor Interventions*
21. ASD—Developmental and Behavioral Interventions*
22. ASD—Effective Education Programs and Public Programs*
23. ASD—Family Support and Support in School*
24. ASD—How is the Diagnosis Made?*
25. ASD—Joint Attention Skills*
26. ASD—Teen and Adult Years*
27. ASD—What Are the Early Signs of Autism Spectrum Disorder?*
28. ASD—What Causes Autism Spectrum Disorder?*
29. ASD—What Is Autism Spectrum Disorder?*
30. Asthma and Your Child*
31. Baby Walkers: What You Need to Know*
32. Back to Sleep, Tummy to Play*
33. Bedwetting*
34. Beyond Screen Time: A Parent's Guide to Media Use*
35. Born Early (Preterm): At the Hospital
36. Born Early (Preterm): Health Concerns
37. Breastfeeding Your Baby: Getting Started*
38. Brief Resolved Unexplained Event: What Parents and Caregivers Need to Know*
39. Bronchiolitis and Your Young Child*
40. Building Strong Bones: Why Calcium Counts*

41. Car Safety Seat Checkup*
42. Car Safety Seats Guide*
43. Car Safety Seats Product Information*
44. Care of the Uncircumcised Penis*
45. Child Sexual Abuse*
46. Childproofing Your Home*
47. Children's Dental Health: What You Need to Know
48. Choking Prevention and First Aid*
49. Choosing a Pediatrician*
50. Choosing Quality Child Care*
51. Circumcision*
52. Clean Intermittent Catheterization for Boys*
53. Clean Intermittent Catheterization for Girls*
54. Cocaine*
55. Colds: What You Need to Know
56. Common Childhood Infections*
57. Complementary and Integrative Medicine: What Parents Need to Know
58. Constipation and Your Child*
59. Croup: When Your Child Needs Hospital Care*
60. Croup and Your Young Child*
61. Crying and Your Baby: How to Calm a Fussy or Colicky Baby*
62. Cyberbullying: What Parents Need to Know
63. Dangers of Secondhand Smoke*
64. Deciding to Wait*
65. Decorative Contact Lenses: What Teens and Parents Need to Know*
66. Diaper Rash*
67. Diarrhea and Your Child*
68. Discipline and Your Child*
69. Eating Disorders: Anorexia and Bulimia*
70. Eczema (Atopic Dermatitis)*
71. Encourage Your Child to Be Physically Active*
72. Febrile Seizures*
73. Feeding Kids Right Isn't Always Easy: Tips for Preventing Food Hassles*
74. Fever and Your Child*
75. Fluoride Varnish Can Help Prevent Tooth Decay*
76. Food Allergies and Your Child*

EXTENDED LIBRARY

The Extended Library includes access to booklets and posters published by the AAP. It may also include publications developed in collaboration with other organizations.

1. Breastfeeding (booklet)*
2. Family Media Use (poster)*
3. First Aid/Choking/CPR chart*
4. Healthy Active Living
 - Making the Most of the First 2 Years
 - Responsive Feeding
 - Stick With Breastfeeding
 - Tips for Feeding Picky Eaters
 - Tips for Introducing Solid Foods
5. How to Measure Liquid Medicine for Your Child (poster)*
6. Zika Virus: Pediatrician Advice for Families (infographic)

MANAGING CHRONIC HEALTH NEEDS IN CHILD CARE AND SCHOOLS

1. Achondroplasia (Short Stature Conditions)
2. Allergic Skin Conditions
3. Allergies: An Overview
4. Altered Immunity: An Overview
5. Anaphylaxis

6. Asthma
7. Attention-Deficit/Hyperactivity Disorder (ADHD)
8. Autism Spectrum Disorder
9. Bleeding Disorders: An Overview
10. Cancer
11. Celiac Disease (Gluten-Sensitive Enteropathy)
12. Cerebral Palsy
13. Childhood Obesity
14. Cleft Lip and Cleft Palate
15. Croup
16. Cystic Fibrosis
17. Developmental Delay
18. Diabetes
19. Diaper Rash
20. Down Syndrome
21. Eczema (Atopic Dermatitis)
22. Ehlers-Danlos Syndrome (EDS)
23. Fetal Alcohol Spectrum Disorder (FASD)
24. Food Allergies
25. Fragile X Syndrome
26. Gastroesophageal Reflux Disease (GERD)
27. Gastrostomy Tubes
28. Hearing Loss and Deafness
29. Heart Conditions, Functional
30. Heart Conditions: An Overview
31. Heart Defects, Structural
32. Hepatitis
33. Hip Problems (Developmental Dysplasia of the Hip, Legg-Calvé-Perthes Disease, and Slipped Capital Femoral Epiphysis [SCFE])
34. Human Immunodeficiency Virus (HIV)
35. Hydrocephalus and Shunts
36. Idiopathic Thrombocytopenic Purpura
37. Juvenile Idiopathic Arthritis (JIA)
38. Kidney/Urinary Problems
39. Marfan Syndrome
40. Mitochondrial Disorders
41. Muscular Dystrophy
42. Neonatal Abstinence Syndrome (NAS)
43. Neurofibromatosis (NF) and Tuberous Sclerosis Complex (TSC)
44. Prader-Willi Syndrome (PWS)
45. Premature Newborns (Preemies): An Overview
46. Seizures, Febrile
47. Seizures, Non-Febrile (Epilepsy)
48. Sickle Cell Disease

49. Special Diets and Inborn Errors of Metabolism
50. Spina Bifida
51. Spleen Problems
52. Tracheostomy
53. Traumatic Brain Injury (TBI) (Includes Concussion)
54. Turner Syndrome
55. Vesicostomy
56. Visual Impairments

MANAGING INFECTIOUS DISEASES IN CHILD CARE AND SCHOOLS

1. Bedbugs
2. Bites (Human and Animal)
3. Boil/Abscess/Cellulitis
4. Campylobacter
5. Chickenpox (Varicella-Zoster Infections)
6. Clostridium difficile (Also Called “C diff”)
7. Croup
8. Cryptosporidiosis
9. Cytomegalovirus (CMV) Infection
10. Dental Caries (Early Childhood Caries, Tooth Decay, or Cavities)
11. Diaper Rash
12. Diarrhea
13. Diarrhea Caused by Specific Types of E coli (Escherichia coli)
14. Ear Infection
15. Fever
16. Fifth Disease (Human Parvovirus B19)
17. Giardiasis
18. Haemophilus influenzae Type b (Hib)
19. Hand-Foot-and-Mouth Disease
20. Hepatitis A Infection
21. Hepatitis B Infection
22. Herpes Simplex (Cold Sores)
23. HIV/AIDS
24. Impetigo
25. Influenza
26. Lice (Pediculosis Capitis)
27. Lyme Disease (and Other Tick-borne Diseases)
28. Measles
29. Meningitis
30. Molluscum Contagiosum
31. Mononucleosis
32. Mosquito-borne Diseases
33. Mouth Sores

34. Mumps
35. Norovirus
36. Pinkeye (Conjunctivitis)
37. Pinworms
38. Pneumonia
39. Respiratory Syncytial Virus (RSV)
40. Ringworm
